## 2.85-INCH VIBRANT DISPLAY

Experience control at your fingertips with a stunning, vividly colorful LED screen displaying.

## CUSTOMIZABLE POWER OUTPUT (10-35W ADJUSTABLE)

Tailor your vaping experience with precise wattage control:

- Press the button twice to enter wattage adjustment mode.
- Adjust power by 1W increments within a 10-35W range.
- Ideal for both Mouth-To-Lung (MTL) and Restricted Direct-To-Lung (RDTL) vaping styles.

## DYNAMIC LED COLORS

Show off your personality with customizable LED lighting:  
Press the button three times to activate LED mode. Cycle through vibrant colors to match your  
vibe and mood.

## PREMIUM LEATHER DESIGN

Elevate your style and comfort with a luxurious leather finish on one side of the device, offering a sleek, modern aesthetic and an enhanced grip.

Pod System | URVAP ZEN

URVAP

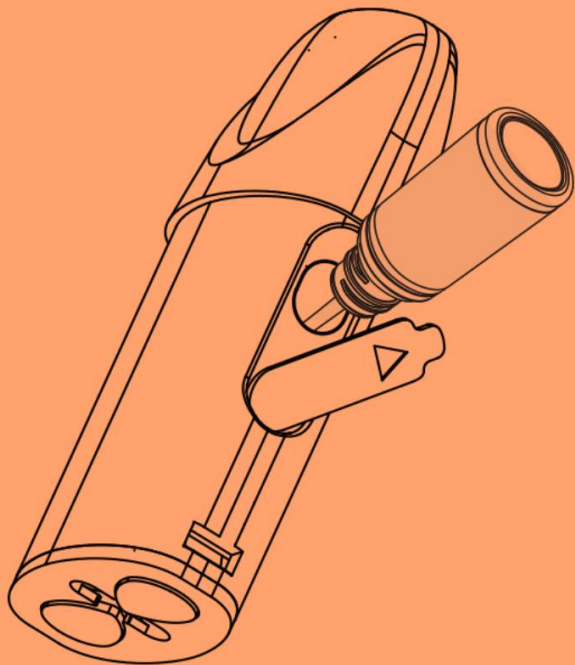

## SMART POD DETECTION

Achieve the perfect vape effortlessly with intelligent wattage adjustment for each pod:

- 0.4Ω Pod (28-35W): Ideal for bold clouds and powerful hits.
- 0.6Ω Pod (18-23W): Offers a balanced, versatile vaping experience.
- 1.2Ω Prefilled Pod (10-13W): Enjoy smooth, discreet vaping with 12 premium flavors.

## HASSLE-FREE REFILLING

Choose between refillable or pre-filled pods for ultimate convenience:

For refillable pods, simply open the rubber tab on the side and fill with ease.

## ADJUSTABLE AIRFLOW

Personalize your vaping experience by sliding the airflow adjustment valve to find your perfect draw.

A man with a beard and short dark hair is shown in profile, facing right. He is wearing a light blue button-down shirt and a gold-toned metal watch on his left wrist. He is holding a black, rectangular pod system in his right hand, which is emitting a thick, white vapor. The background is a warm, textured wall with a single, glowing, oval-shaped light fixture. The overall lighting is warm and ambient.

## ALL-DAY BATTERY LIFE

Equipped with a powerful 900mAh battery, the URVAP ZEN delivers reliable, all-day performance. Quickly re-charge using the Type-C charging port for added convenience.

## SAFETY FIRST

Designed with security in mind, the child-lock button prevents unintended use:  
Turn the device On/Off by pressing and holding the button.

A person wearing a light blue button-down shirt and a silver watch is holding a small, red and black rectangular device. A red lanyard with the word 'URVAP' printed on it is attached to the device. The background is slightly blurred, showing what appears to be an indoor setting.

## FREE LANYARD INCLUDED

Stay stylish and keep your URVAP ZEN close with the included free lanyard, making it portable and easy to carry wherever you go. Start your vaping journey with the URVAP ZEN—where style meets innovation for a seamless experience.

# E-cig Manufacturing License & Certifications

URVAP Factory is delighted to share that we have secured a manufacturing enterprise license from the State Tobacco Monopoly Administration (STMA) under the State Council of the People's Republic of China. Additionally, we hold certifications such as ISO14001, ISO45001, ISO9001, and more. Partner with us for a steadfast and reliable collaboration.

# Authorized Fume/Aroma King/SP2S Factory Partner

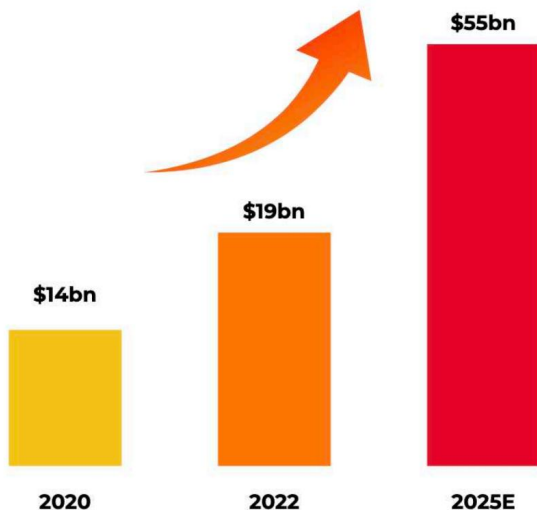

## Your Reliable Partner

URVAP Factory is proud to cater to a diverse clientele, including renowned brands such as Fume, Aroma King and SP2S. Situated in Changan, Dongguan, with an additional office in Shenzhen, our expansive 6000 square meters facility operates with a robust production capacity of 8 million pieces per month. We extend a warm invitation for you to visit our factory and witness our commitment to quality and innovation firsthand.

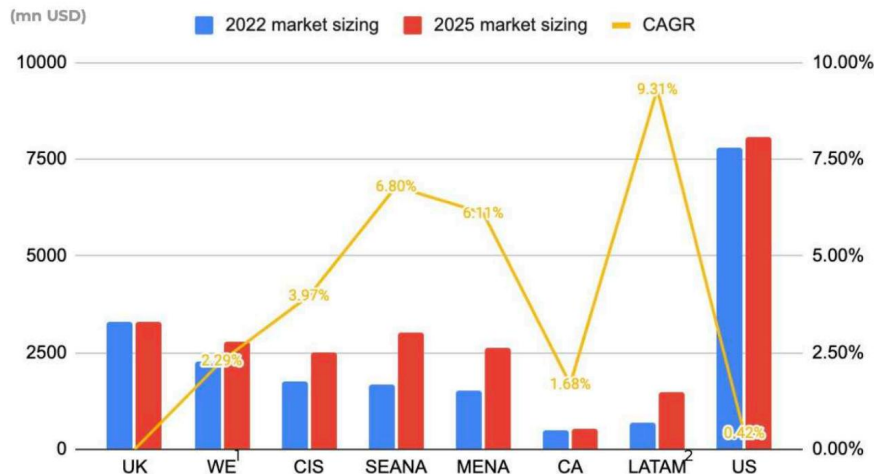

# Global e-cigarette market: a massive and promising market

Global market forecast to grow tremendously:

UK & USA are early penetrated markets with biggest market sizing.  
High speed growth trend remains for the rest of the markets.

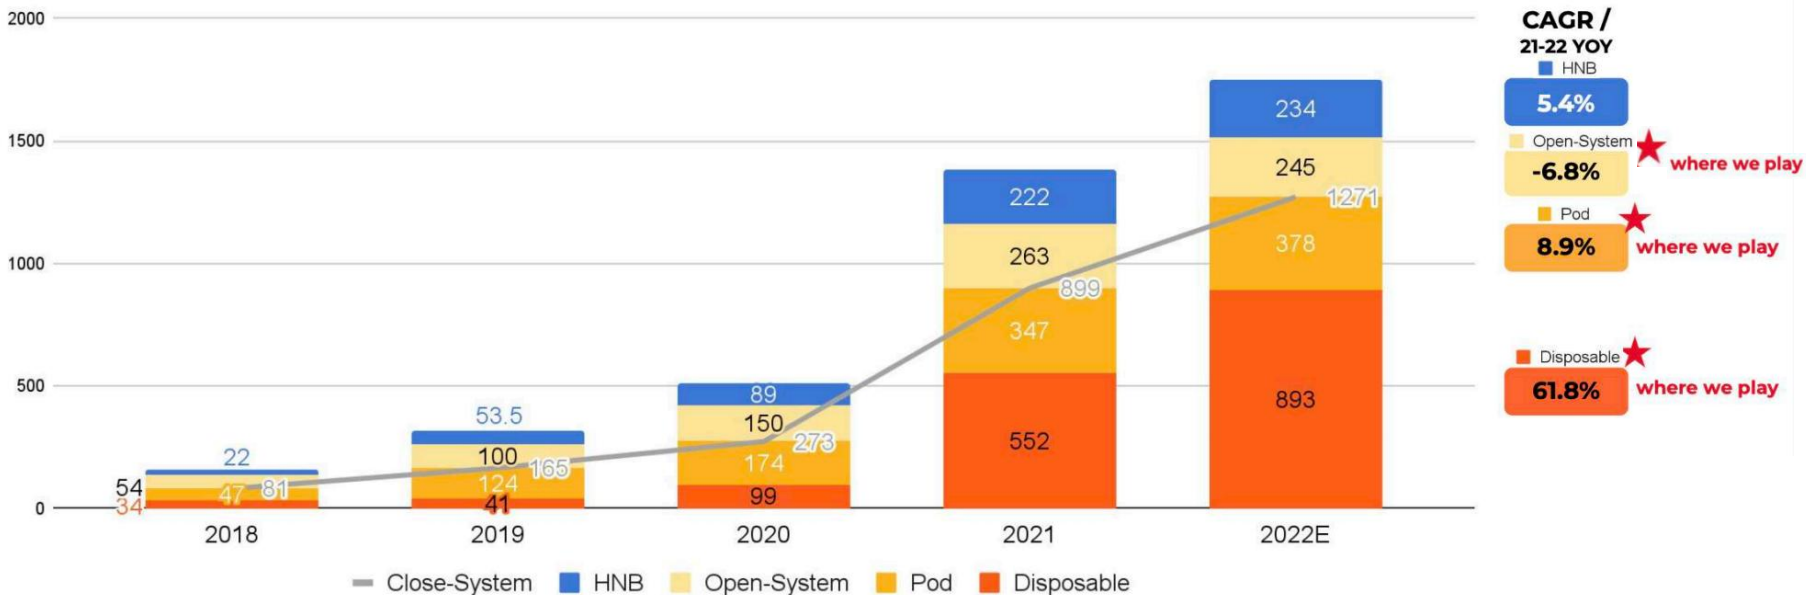

1. WE includes most of EU and partially Eastern Europe
2. Spain is included in LATAM

# Where we play: pod and disposable, two growth drivers.

Within the vape market, Pod system and Disposable are the two sub-categories that fuel the overall category growth.
